Procedural: that this motion now be put to a vote

2. **Notice of Motion No. 2:**
The Swine

Mover – *Landolfo*

Seconder – *Robinson*

Preamble:

In 2012 the Swinburne Student Union Media Committee has been working hard to produce an issue of *The Swine* student magazine to be launched at orientation week. In order to be printed in time, Swinburne Press needs to receive the artwork on the morning of Friday the 10th of February. Council has been provided with a draft of the magazine at the time this agenda was distributed and a final copy will be presented to the meeting.

The first issue of the magazine is likely to involve a cost to the Union, with subsequent issues intended to break even.

There has been some advertising sold in the first issue.

Procedural (Searle): To suspend standing orders in order to step through the layout of the magazine.

Carried (6 for, 5 against, 1 abstention)

Procedural (Landolfo): That this motion now be put to a vote.

Carried (10 for, Searle, Spackman-Williams, Glen-Norman against)

Motion:

That Council approve expenditure of \$4000 to print 2000 copies of *The Swine* to be distributed during the first few weeks of Semester 1.

Carried (12 for, Spackman-Williams against)

**3. Notice of Motion No. 3:
O Week and WB Week Plan**

- Mover – *Spackman-Williams*
- Secunder – *Searle*

Preamble:

A workshop session has been held to produce a plan and budget for O week and Welcome Back Week. Secretariat made subsequent amendments and recommendations to this plan. The plan includes purchase of 1600 units of Union Pigs, pens and satchel bags and 2000 units of Union lollipops. It also includes the purchase of two new marquees and two 'Join Here' banners.

Motion:

Council endorses the plan and budget produced by the workshop session and Secretariat and approves total expenditure of \$9,410 (\$7,245 for merchandise and \$2,165 for other expenditure, as per the budget).

Carried Unanimously

4. **Notice of Motion No. 4:**
2012 membership package

- Mover – *Searle*
- Seconder – *Briers*

Preamble:

Secretariat has discussed a membership package for 2012 which retains the \$20 'early bird' membership but raises full price membership to \$30 and passionate membership to \$50.

If funding were more certain there would be opportunities to reduce the membership fee but at this stage the Union needs to retain as much membership revenue as possible.

Amendment:

- Mover – *Briers*

That there be a \$100 President's Club option which includes a personal letter from the President and a round of golf with the President.

Lost (no seconder)

Amendment:

- Mover – *Chappell*

That satellite campus membership fees be half that of at Hawthorn excluding passionate membership.

Acceptable to the mover

Motion:

That the Union establish membership fees for 2012 semester 1 as \$20 for the first three weeks of semester and \$30 afterwards with a \$50 passionate membership option available at all times. Satellite campus membership fees be half that of at Hawthorn excluding passionate membership.

Procedural:

- Mover – *Robinson*

That Council recess for 9 and a half minutes to return at 15:20.

Carried Unanimously

5. **Notice of Motion No. 5:**
Education Ministry advice on SSAF

Mover – *Searle*

Secunder – *Rowe*

Preamble:

Swinburne University has begun collecting the Student Services & Amenities Fee from students since January 2012 despite failing to disclose how they intend to use the funds. The University has continually stalled the Student Union during negotiations and consultation. The SSAF is designed to support student organisations however Swinburne has shown little interest in doing this.

Secretariat recommended on the 2nd of February that the President write to the Tertiary Education Minister Chris Evans (and email a copy to the Vice Chancellor) by the evening of the 9th of February outlining the Union's concerns about Swinburne's lack of communication/consultation and lack of support for student control over student affairs.

Secretariat also recommended that the Union write to other MP's, Education spokespeople as well as notable alumni and public figures to ask them to write to the Vice Chancellor to urge her to public Swinburne's plans for the SSAF and to ensure the Union receives a fair level of funding.

Motion (recommendation from Secretariat):

That Council approve this correspondence.

Carried Unanimously

**6. Notice of Motion No. 6:
WTF Swinburne? (Where's The Funding?)**

- Mover – *Robinson*
- Secunder – *Searle*

Preamble:

Monash Student Association has run a successful Facebook campaign entitled Monash WTF? after Monash University indicated they were going to quarantine a large portion of SSAF revenue in a bank account controlled by the University, with minimal transparency.

Compared to other universities, Swinburne has been slow to react with no indications at all about how funds will be spent. Swinburne students need to be made aware that no additional funds will actually be added to the Student Services pool. At this stage the SSAF is taxation without representation.

This campaign will complement the Students' Money to Students campaign.

The Facebook page will be registered as a community page associated with the Swinburne Student Union page.

Amendment:

- Mover – *Landolfo*
- Secunder – *Briers*

Amend wording as outlined in yellow

Carried (7 for, 5 against (Searle, Robinson, Spackman Williams, Chappell, Morison))

- Mover – *Briers*
- To reinstate standing orders

Carried

Keith Warburton named by the chair

Amendment:

- Mover – *Searle*
That the motion now be put.

Carried Unanimously

Motion (recommendation from Secretariat):

That a Facebook campaign entitled "WTF Swinburne? (Where's The Funding?)" be launched on Monday the 13th of February if the University does not agree to regular scheduled meetings with regards to the distribution of SSAF funding and guarantee that the Union will receive at least 25% of the revenue.

The campaign will inform students about the state of play of the Student Services & Amenities Fee at Swinburne and get them involved in the campaign for student control over student affairs.

That the President and Education/Vice President make contact with Higher Education journalists and release a media release on WTF Swinburne and the issues surrounding SSAF and SSU by February 13th 2012.

Carried Unanimously

Hawthorn Sponsorship

- Mover– *Briers*
- Secunder – *Spackman-Williams*

That the motion now be put.

Carried Unanimously

8. **Notice of Motion No. 8:**
Business Cards

- Mover– *Searle*
- Secunder – *Spackman-Williams*

**10. Notice of Motion No. 10:
Margaret Court**

Mover – *Morison*
Secunder – *Robinson*

Preamble:

Recently three time Wimbledon champion Margaret Court has spoken out against same sex marriage. Court has had an editorial published in the Herald Sun telling us the morals of society are on the decline because of homosexuality, as well as another article where she is quoted as saying that homosexuality is the often result of sexual abuse. While these two pieces of writing are among the worst, there are multiple other articles where she gives her support for conversion therapy. In protest people have been visiting the tennis arena bearing her name wearing rainbow flags.

Amendment (Briers):

That the motion remove the reference to the Herald Sun.

Acceptable to the mover

Amendment (Briers):

That the wording be approved by Secretariat.

Acceptable to the mover

Motion:

That the Queer Representative writes a letter to Margaret Court on behalf of the Student Union that condemns her out-dated views and sends a copy to the Herald Sun. The wording will be approved by Secretariat.

Carried Unanimously

11. **Notice of Motion No. 11:**
Communication with standing committees

Mover – *Spackman-Williams*

Secunder – *Searle*

Preamble:

Contrary to previous years this current Student Union has 3 active additional committees; SISA, SUPA and the Media Committee. There are various members on each of these whom are not a member of either Secretariat or Council and hence would not receive notice and may not hear about motions which could be directly related to them. Although they could not have an official vote, their expertise could provide valuable input into the discussion on these motions were they aware of them and present at the time of discussion.

Motion:

That all minutes and agendas for Council and Secretariat be sent to SISA, SUPA and Media Committee.

Carried Unanimously

12. **Notice of Motion No. 12:**
