Term of Office: 1st of January to the 31st of December of 2016 for Higher Education Representatives.

Role of Faculty Representatives

The role of a Faculty Representative is to provide faculty specific student perspectives to the Swinburne Student Union Education Board. This will include talking to other students within the faculty to understand general issues, as well as communicating with staff. Faculty Representatives are also responsible for building community and collectiveness within their faculty through different methods such as online spaces.

Regular meetings

SSU Education Board

Key Responsibilities of Faculty Representatives

1. To be at all times familiar with and abide by the SSU Constitution, Regulations, and Policies;
2. To report back to the SSU Education Board on issues within their faculty;
3. To attend all Boards and Committees to which they are appointed;
4. To represent and speak in the best interest of students within their faculties on all boards and committees;
5. To communicate to students within their faculty in relation to faculty matters, the Student Union, and the Education Board.

Faculty Representatives are accountable to and may be directed by:

In the first instance – Education Board

And ultimately – the Council
